

Quality Control

- 01 Love Chowdhary - Standardization of Hingvastaka Churna. L-03
- 02 Ms. Kalyani Raval - Standardization of Vasakasava. L-02
- 03 Ms. Sheetal Davda - Standardization of Balacaturbhadrika Churna. L-04
- 04 Abhishek Kumar - Standardization of Nirgundi Taila. L-14
- 05 Vijay Naresh - Standardization of Quality control Aspects of Triphala Churna. L-12
- 06 Manish Verma - Standardization and Quality control study of Srnguadi Churna
- 07 Yadav Indrajeetsinh K. - Process standardization and Quality control of Triphala Guggulu
- 08 Vishakha V. Gajre - Standardization of Quality Control Aspects of Avipattikara Churna – An Ayurvedic Formulation
- 09 Rajesh Garg - Standardization of Bhallataka Rasayana Churna. L-13
- 10 Soni Sanketkumar C. - Standardization of Analytical Parameters of Navayasa Churna – An Ayurvedic Formulation
- 11 Shubha - Standardization and analytical aspects of Saptamrita lauha – An Ayurvedic Formulation
- 12 Mehul D. Mehta - Standardization and Quality control aspects of Arjunarishta – An Ayurvedic Formulations
- 13 Sunesh Pandit - Standardization and Quality control aspects of Haritaki Avaleha – An Ayurvedic Formulations
- 14 Vivek Dixit - Standardization and Quality control Aspects of Dashan Samskara Churna – An Ayurvedic Formulation
- 15 Pankaj Singh Baghel - Standardization and Quality control aspects of Kapardika Bhasma – An Ayurvedic Formulation.

2007

- 16 Solanki Tushar - Chemical evaluation and analytical standardization of Kushtha Rakshasa taila An Ayurvedic formulation.

2008

- 17 Gupta Hetal D. - Standardization & Quality control of Stimulact granules- An Ayurvedic Proprietary medicine
- 18 Vankani Neha - Standardization & Quality control Aspects of Pancha Sakar Churna – An Ayurvedic Formulation

Pharmacology

- 19 Mr. Mukesh Nariya - Toxicological study of Balacaturbhadrika Churna. L-01
- 20 Mr. Parag Parmar - Pharmacological evaluation of Balacaturbhadrika Churna. L-05
- 21 U. V. Sharmila - A detailed pharmacotoxicological evaluation of Three Satavari preparations. L-10
- 22 P. Arunachalam - Pharmacotoxicological evaluation of Rasagandhi Mezhu (RGM) – A Herbomineral Siddha Preparation
- 23 Prabhat Verma - Evaluation of compound Ayurvedic formulations for Nephro and Cytoprotective activities in experimental Animals
- 24 Kirti Kulkarni - A Comparative psycho euro pharmacological and adaptogenic study of two Kushamanda [Benincasa hispida (THUMB.) Cong.] Formulations

- 25 Dipak V. Amrutkar - An experimental evaluation of Tripakshi – Coldenia Procumbens (Boraginaceae) for Anti diabetic Activity. L-08

2007

- 26 Rohit Goyal - Hepatoprotective Activity evaluation of Rohitaka Ghrita.

2008

- 27 Amrutiya Vijay - Hepatoprotective Evaluation of Guduchi Ghrita. L-17
28 Patel Hemal - Evaluation of Guduchi Ghrita for cytoprotective activity against experimental intestinal and colon injury Albino rats.

2009

- 29 Hardik Soni - A Detailed Pharmacological Investigation in to Gastrointestinal Cytoprotective Activity of Kalasakadi Kashayam. L-21
30 Vijendranath Trivedi - Hepatoprotective Activity Evaluation in Coded Drug AV -04. L-32

Rasha Shastra & Bhaisajya Kalpana

- 31 Vivek Bajaj - Pharmaceutical study of "Asokarista" with reference to Different containers, Refermentation problem, Filtration Technique. L-06
32 Ashutosh Mishra - Pharmaceutical and Analytical Evaluation of Vishagarbha Taila. L-11
33 Arun A. - Pharmaceutico – Analytical Profiles of Samaguna & Shadguna Balijarita Rasasindur
34 Mukesh Jain - A Comparative study of Arjuna Kwatha and Arjuna Ghana Tablet
35 Sujeet Singh - A Pharmaceutical standardization of Kaishore guggulu with special reference to its disintegration
36 Nimit K. Baldania - A Pharmaceutical Standardization of Chakrika with Special reference to Shankha Bhasma
37 Dileep Singh Baghel - A Pharmaceutical standardization of Kwatha (Phalatrikadi Kwatha) with special reference to Determination of practical size of Kwatha Dravya.

2007

- 38 Gupta Uttam - Quality Control and Analytical standardization of Jatyadi Ghrita – An Ayurvedic Formulation. L-16
39 Hinsu Vijay - A Comparative Pharmaceutical and Analytical Study of Apamarga Kshara Prepared by Different Methods
40 Panchal Arvind - A Comparative Pharmaceutical and Analytical study of Vanga Bhasma Prepared by Two Different Methods
41 Shukla Pankaj - A Comparative Pharmaceutico – Analytical Study of Kwatha Prepared by Different methods W.S.R. to Rasnasaptak Kwatha

2008

- 42 Maniar Kunal - A Pharmaceutical & Analytical Study of Vishwamitra Kapal Sneha. L-18

2009

- 43 Dholu Chirag Kumar - A Pharmaceutical and Analytical Study of Shalmali Kantaka Lepa. L-20
44 Hitesh Chauhan - Pharmaceutical and Analytical Study of Bakuladya Manjan. L-22

- 45 Manish Vyas - A Comparative Pharmaceutical and Analytical Study of Brihat Panchamoola Kwatha Prepared From Root and Stem Bark W. S. R. to Pravahi Kwatha. L-26
- 46 Piyush M. Sabhaya - Pharmaceutical and Analytical Study of Gandhaka Malhara W. S.R. to its Anti Bacterial Activity. L-28

Pharmacognosy

- 47 Mr. Dinesh Y. Parsai - Impact of Gender variation on Quality of Leaves of Piper betle Linn. (Tambul). L-07
- 48 Miss. Vandana Aneja - Pharmacognostical Evaluation of An unexplored Antidiabetic Weed Coldenia procumbens Linn. L-09
- 49 Ghoghari Ashok M. - Investigation of an unexplored traditional medicinal fern – Aspidium Cicutarium SW – Polypodiaceae
- 50 Saurabh Singh Baghel - Gender Affecting – The Quality of Leaves of Trichosanthes Dioica Roxb. (Cucurbitaceae)

2007

- 51 Renu Chib - Pharmacognostic and Phytochemical evaluation of Four Cassia seed drugs used in skin disease
- 52 Pandya Preeti - Pharmacognostical and Phytochemical study on varieties of Gunja (Abrus Precatorius Linn.)

2008

- 53 Patel Raj P. - A Comparative pharmacognostical and phytochemical studies of seeds of Holarrhena antidysentrica wall and Wrightia tinctoria R. Br.
- 54 Kshitij Chauhan - Quality standards of Four Ayurvedic Seeds of "Sida" Species.

2009

- 55 Keerthi Pillai - Comparative Pharmacognostic Studies of Seeds of Azadirachta indica A.Juss and Melia Azedarach L. L-24
- 56 Unmesh M. - Macroscopic, Microscopic and Priliminary Chemical Evaluation of Seeds of Two Varieties of Mucuna pruriens. L-30
- 57 Vijay Kumar Prajapati - Macroscopic, Microscopic and Priliminary Chemical Evaluation of Three Seed Drugs (Albizia lebbeck. Albizia procera, Mimosa pudica) of Family Mimosaceae. L-31

Dravyaguna

- 58 Hemang N. Joshi - Pharmaco - Botanical Study of Jhireeta with special reference to wound healing.
- 59 Naresh A. Vaidya - A Comparative Pharmacognostic and Phytochemical study of Boerhavia Diffusa Linn. and Trianthema portulacastrum Linn.
- 60 Amrinder Kaur - Study of Jala- Pippali (Phyla nodiflora Linn., Syn. Lippia nodiflora Rich.) with special reference to its Pharmacognostic and Phytochemical Study.

2007

- 61 Patel Priyanka - Pharmacognostical and Phytochemical evaluation of Two Varieties of seeds of Punica granatum Linn. (Punicaceae).

2008

- 62 Mistry Sapna - A Comparative Pharmacognostical & Phytochemical Study on Roots of Two Varieties of "Sariva".

2009

- 63 Jaimin Patel - "A Comparative Study of Stem Bark & Root Bark of Patala (Stereospermum suaveolens DC.) W.S.R. to its Pharmacognostical, Analytical and Pharmacological Profile". L-23
- 64 Krunal Doshi - A Comparative Study of Stem Bark & Root Bark of Shyonaka - Oroxylum indicum ((Linn.) Vent. L-25
- 65 Yogesh Patel - "A Comparative Study on role of Shodhana (Purification) on Sweta Datura (Datura innoxia Mill) and Krishna Datura (Datura metal Linn.) Seed - (A Pharmacognostical & Analytical Study)". L-33

Phytochemistry

2009

- 66 Bindya Goswami - Standardization & Quality Control Aspects of Panchasam Churna an Ayurvedic Formulation. L-19
- 67 Parth N. Koringa - Standardization & Quality Control Aspects of Gokshuradi Guggulu Vati an Ayurvedic Formulation. L-27
- 68 Renuka Omprakash - Quality Control & Standardization of Kutaj Dadim Kwath an Ayurvedic Formulation. L-29
